

no use in crying when you keep
from it but we after my body.

Miss Fannie I Love you as well
I could any young, and when you
is always things I like you.
If here did you dream we were
the other night having a
nice time camp just now to be
sure, you must let me know
when get ready to go to
Texas and if I possibly can
I will go with you. At
you must let me know a
few days before hand so you
off the work here.

Remember and have in mind
a good true friend is
up to find!

I know you will be tired of
me when you completed this
book to be sure and let
me know all about this book is
